Sullivan Will Fight Winner Take All

The news, as announced in yesterday's Bulletin, that Cordell and Sullivan are matched to fight again on Saturday, July 24, was received with joy by all the fight fans of the city.

The proposition that the men fight "winner take all" finds much favor with the sporting section of the public, and it is hoped that that arrangement is carried out. Cordell has announced that he is willing to fight "all or nothing," and Sullivan, who was seen last night, eagerly inquired if it were a fact that Cordell wanted to fight for the whole purse. On being informed that Joe Cohen was the authority for the statement Dick burst out with: "Winner take all! Sure, that's my game. I'll fight Cordell next Saturday night on those terms if he feels inclined. I did not fight up to my usual form last Saturday, and don't know what was the matter. Next time I'll put up a different scrap and will surprise Cordell."

The probabilities are, however, that the men will box on a percentage basis and that the winner will get 60 per cent and the loser 40. The extra inducement, as suggested by Joe Cohen, in the shape of \$100 bonus to the winner if a decision is arrived at, should stir the two men to greater efforts and make the fight even better than that of Saturday night last.

It was wonderful the interest taken on the big island in the fight; everyone was on the job asking if any news had come through by wireless about it, and when the result was known general satisfaction was felt over the fact that the scrap had ended as it did.

Cordell has formed so many friendships in these islands and Dick is such a favorite that people who did not wager on the event would have been sorry to see either man defeated.

Mike Patton was such a success on Saturday night that he was at once asked to take on the job of referee again for the next scrap. Mike knows all about the fight game, and the public can rest assured that with him in the ring as third man a straight fight and fair decision will be in order.

The preliminaries have not yet been arranged, but it is possible that Franklin will be seen in action with some other lightweight. Jack McFadden has been suggested as a man to go on with Franklin, and if Jack was in any kind of condition the go should be a good one. But can Mac get into good form on such short notice? Certainly two weeks' training would make a big difference in his condition, but Jack has his job to look after and would not be able to devote all his time to training.

If McFadden is matched with Franklin he sure will leave no stone unturned in his training stunts, and should give the Antipodean the go of his life.

Joe Cohen will get busy at once on the arrangements for the fight, and it is assured that the evening will be as good or even better, as far as the preliminaries go, than last Saturday night.

PROGRAM

Secretaries or other authorized representatives of clubs are asked to send in a list of events, scheduled by them, that they may be included in the program. Address all communications to the Sporting Editor, Evening Bulletin.

Baseball.
July 18: Opening of Oahu Baseball League.

Banonica Wins Free For All

The remaining events of the Hilo program which were run off after the Mauna Kea had sailed for Honolulu with the local people are to hand; at least some of them are, and the rest must have been abandoned on account of the lateness of the hour.

The three-quarters mile Hawaiian breds, purse \$250, was won by Major Collier, who carried 121 pounds to victory, and thus once more established his superiority over Indigo and Young Sam.

The three-quarters mile free for all, which carried a purse of \$250, was won by Banonica, who had the light impost of 117 pounds to carry. No result is to hand as regards the half-mile race for Japanese horses, nor the last race on the program, which was a free for all over a five-eighths mile course. The probabilities are that the race was called off owing to darkness setting in.

Banonica must have shown a taste of her real form in the six furlong race, and it will be interesting to see what time she made over the distance.

Poor old Indigo had no chance of beating Major Collier at even weights, and it is about time the handicappers (if there are any) got wise to the fact. The same thing happened on New Year's Day, when Collier defeated the good old horse twice in exactly the same manner, and now on the Fourth the act is repeated.

What is wanted in Hilo is a board of control which will see that all the events are run on time, and that jockeys will appear in their right colors, and not have to be sent back to the paddock to have the change made. They also want a proper handicapping system, and most of all, they want stewards who will watch out for crooked work and at once rule off horse, jockey and owner who indulge in such practices. The judges were all right at Hilo, but they cannot see and hear everything that goes on; a corps of stewards could do so, and they would be wise to all such funny little games as were played at Hilo on Saturday and Monday last.

A PATRIA SOCIETY HELD SUCCESSFUL OUTING.

The annual basket picnic of the A Patria Society was held at the Peninsula on Sunday last, and a most enjoyable affair it was, too. A special train conveyed a large number of excursionists to the picnic ground and the family parties soon spread over the beautiful lawns.

A program of sports was run off, and some exciting events were seen: the running races were well contested, and in fact all the different stunts were very much enjoyed.

Dancing was in order, and pretty well all day the seductive strains of the merry waltz and more lively two-step were to be heard. A baseball game was also played and much interest was taken in the match. The Concordia band was out in full strength, and the music was much appreciated by the picnicers. The band, at the close of the day, played the Portuguese national hymn, followed by the Star Spangled Banner. Cheers were given for the A Patria Society and for the Glorious Fourth.

Count Canavarro, Hon. A. D. Castro and Major Camara were noticed among those present, and they took the greatest interest in all the doings of the day.

The whole affair went off in great style, and the crowd seemed to have the time of their lives, and were sorry when the time came to make a start for home.

The principal officers of the A Patria Society are: President, V. O. Felix; secretary, A. P. C. Correa; treasurer, J. C. Sousa. To these must be given the credit of having arranged a fine outing and one that will rank with the best ever given by the well-known Portuguese society.

NO MORE PARKS ON THE WATERFRONT

Keeper Will Turn His Attention To Makiki

There will be no more waterfront parks. The doom of the little green patches down among the wharves was sounded last night when the Supervisors voted to transfer the waterfront park keeper to Makiki.

Quinn made the motion to take away the keeper, saying that he had advised to the effect that Superintendent of Public Works Marston Campbell had announced his intention of taking the greater part of the land now occupied by the waterfront parks in order to lengthen the slips.

There was considerable discussion, but only in the district in which Makiki park might be situated. There was not a Supervisorial champion for the little green spots along the waterfront.

COUNTRY CLUB'S TEAM PLAYS GOLF TOURNAMENT

The Country Club had its usual crowd on Monday and the team golf play was watched with great interest by everybody. There were numerous automobile parties in evidence, and the busses were also well patronized.

Lunch was served at the club house, and a good time was had by everybody. The result of the play showed that Walker's team came out with a score of 12; Gill's 10; Hartwell's 8 and Armstrong's 6.

The weather was ideal for golf and full advantage was taken by the members of the perfect club arrangements.

The Kallhi A. C. is giving a fine concert and dance at the K. of P. hall next Saturday, and the affair promises to be one of the best of the kind held this year.

There will be a meeting of the Honolulu Cricket Club this afternoon in the rooms of the Scottish Thistle Club at 5 o'clock. Some very important business will be considered, and it is requested that all members will attend.

The Kind You Have Always Bought

Bears the Signature of *Dr. J. C. Watson*

The people at Waikane celebrated the Fourth of July in a very satisfactory manner. They had a program of canoe races, sack races, girls' races, boys' races and races for the old men. There were lots of entries and loads of fun for all except the old men's race. No one at Waikane would admit being eligible for any such race. There was something to eat and plenty of temperance drinks. It was a jolly Fourth.

Cut Prices

We have decided to cut the prices for developing and printing very materially on the following sizes:

On 3 1/2 x 3 1/2, 3 1/4 x 4 1/4, 3 1/4 x 5 1/2 and 3 1/2 x 10. Cut prices on printing only on sizes 2 1/4 x 2 1/4, 2 1/4 x 3 1/4 and 2 1/4 x 4 1/4.

Notwithstanding the cut, we have put in better facilities which will enable us to turn out better work than ever before and work that will prove superior to that obtainable anywhere else in the islands.
